

Product Name: JBC310U91-2930-S  
Manufacturer: Jetway  
Model Number: BBJEJBC310U91-2930-S

Mini PC Fanless Atom 4 Cœurs : - Processeur INTEL® Bay Trail-M N2930 SoC

- 1.83GHz, Quad-Core, 7.5W
- Produit avec disponibilité étendue à 5 années
  - Fanless (sans ventilateurs)
  - Ultra compact : 116x110x49mm
  - Alimentation par prise Jack avec voltage étendu de 9V à 24V DC
  - 2 x HDMI & DDR3L
  - ECO-design pour EuP/ErP
  - Testé et vérifié avec les pré-versions de Windows 10

Motherboard Specification

|                           |                                                                                 |                                       |
|---------------------------|---------------------------------------------------------------------------------|---------------------------------------|
| CPU                       | Fanless INTEL® Bay Trail-M Celeron N2930 SoC Processor 1.83GHz, Quad-Core, 7.5W |                                       |
| Memory                    | 1 * 204-pin DDR3L-1333 SO-DIMM Single Channel up to 8 GB (1.35V required)       |                                       |
| VGA                       | Intel® HD Graphics                                                              |                                       |
| LAN                       | 1 x Intel® WG82574L Gigabit Ethernet                                            |                                       |
| Audio                     | Realtek ALC887 Audio CODEC with SPDIF out                                       |                                       |
| Storage                   | 1 x full size mSATA Slot                                                        |                                       |
| Wireless / Mini-PCIE Slot | 1 x half size Mini-PCI Express Slot                                             | Wireless 802.11 b/g/n + Bluetooth 4.0 |
| Board Form Factor         | NUC Form Factor (101mm X 101mm)                                                 |                                       |
| Chassis Specification     |                                                                                 |                                       |
| Product size              | 116 * 110 * 49 mm                                                               |                                       |
| Material                  | Lightweight aluminum alloy with extruded aluminum IO panel                      |                                       |
| Color                     | Black and Sliver                                                                |                                       |
| HDD                       | NA                                                                              |                                       |

|                    |                                                                                                   |
|--------------------|---------------------------------------------------------------------------------------------------|
|                    | 1 * Power Button                                                                                  |
|                    | 1 * Power LED                                                                                     |
| Front I/O Port     | 1 * COM port                                                                                      |
|                    | 1 * USB 3.0                                                                                       |
|                    | 2 * USB 2.0 ports                                                                                 |
|                    | 2 * HDMI                                                                                          |
|                    | 1 * RJ-45 port                                                                                    |
| Rear I/O Port      | 1 * Audio line out with SPDIF out                                                                 |
|                    | 1 * 9V ~ 24V DC-in jack                                                                           |
|                    | 1 * SMA Connector for WiFi Antenna                                                                |
|                    | 1 * Kensington Lock Hole                                                                          |
| Power              | Adapter : AC_90~240V / DC_12V_3A/36W                                                              |
| Environment        | Operating Temperature : 0 ~ 40°C with air flow                                                    |
|                    | Storage Temperature : -20 ~ 80°C                                                                  |
|                    | 36W AC Adapter x1                                                                                 |
|                    | Power Cord x1                                                                                     |
|                    | Screw pack x1                                                                                     |
| Standard Accessory | DVD Disk x1                                                                                       |
|                    | Manual x1                                                                                         |
|                    | WALL + VESA + DIN rail mounting kit (Black)                                                       |
|                    | Din Rail Clip                                                                                     |
|                    | WIFI antenna (with HBJC310U91W-2930 model)                                                        |
| Functional         | Digital Signage, Set Top Box, Thin Client, Car Entertainment, Smart Mini PC, POS/POI, KIOSK, HTPC |
| Certificate        | CE,FCC,ErP For Barebone                                                                           |
|                    | CE,FCC,TUV,UL,CCC,CB,ErP For Power Adapter                                                        |
