Product Name: SRFD
Manufacturer: -
Model Number: -

La solution flash pour faire du raid embarque dans un emplacement 2"5

Compatible with SATA interface
Capacity Expansion
RAID mode options
High Performance
No noice, no latency, no seek errors
Shock and Vibration resistant
Built-in Hardware ECC function
RoHS Compliant

Model	**SRFD 25C**
Interface	SATA 3Gb/s
Physical Form Factor (inch)	2.5" with 2 CF sockets
Capacity	Base on CF Card
Sustained Read/Write Performance	Base on CF card
Operation Mode	Big mode, JBOD mode, RAID 0 (Fast), RAID 1(Safe)

>

Environmental Specification	•Operating temperature: 0°C to 70°C •Storage temperature: -40°C to 100°C •Humidity: 5% to 95% relative, non-condensing •Shock: 1,500G •Vibration: 15g
Support Voltage	5V
Dimensions (mm)	100 (L) x 69.8 (W) x 9.3 (H)
Power Consumption	510mA (typical)
Certification	CE, EN55022, CISPR 22, EN55024, EN6100 FCC, Part 15 Class B, MIL-STD-810F, RoHS
Mechanical Drawing
