Product Name: Carte mere Zotac G31MAT-B  
Manufacturer: Zotac  
Model Number: CMZOG31MAT-B-E

Intel® Graphics Media Accelerator 3100

- Microsoft® DirectX® 9.0c
- Shader Model 2.0
- Microsoft® Windows Vista® Premium ready
- OpenGL 1.4
- High-definition audio

|                  |                                                                 |
|------------------|-----------------------------------------------------------------|
| Model            | G31MAT-B-E                                                      |
| Chipset          | Intel® G31+ICH7                                                 |
| CPU Socket       | LGA775                                                          |
| Dimensions       | 9.6in x 7.5in - 244mm x 191mm                                   |
| Form Factor      | Micro-ATX                                                       |
| FSB              | Up to 1333MHz                                                   |
| Memory Size      | Up to 4GB                                                       |
| Memory Slots     | 2 x 240 pin DDR2 DIMM                                           |
| Memory Type      | DDR2 800                                                        |
| Onboard Audio    | 5.1                                                             |
| Onboard LAN      | 10/100Mbps                                                      |
| Onboard Video    | GMA 3100                                                        |
| Package Contents | 1xSATA, 1xIDE, 1 back panel bracket, 1 User manual, 1 Driver CD |
| PATA             | 1 x ATA100 2 Dev. Max                                           |
| PCI              | 1                                                               |
| PCI Express x1   | 1                                                               |
| PCI Express x16  | 1                                                               |
| Power Connector  | 24 Pin                                                          |
| SATA             | 4                                                               |
| USB              | 8 USB ports (4 on back panel, 4 via header)                     |
